Agreed Report from the Board of Management Meeting held on May 12th 2022 in Rathbeggan NS

The minutes from the Board of Management meeting on March 31st were adopted.

The Treasurer's Report was shared. It was noted that the utility bills have significantly increased and every effort must be made to bring down the costs. It was also agreed to fill the oil tank now in preparation for the next academic year.

The Junior Infant class for September 2022 is now full and there is a waiting list in operation.

The appeal for the retention of the 7th Mainstream teacher was submitted to the DES and we await correspondence. It was noted that there is a significant amount of planning, administration and preparations for 2022/2023 and none of this can be completed until we are informed of the outcome of this appeal.

The Child Protection Oversight Report was shared.

It was noted that a number of referrals to the EWO will be made due to 20 or more days absence.

The Bullying Report was also shared.

We will retain our allocation of 4 Special Education Teachers for the next academic year.

We also gained an additional 5 hours of SET support and Rathbeggan NS have joined a cluster arrangement with other schools. The new teacher will be appointed and will be available to Rathbeggan NS for 1 full day per week.

The Digital Learning Plan was ratified. It was noted that an update of IT infrastructure is required and a plan is to be put in place for same.

Building: The external painting work was completed during the Easter holidays. The signage quote is expected, this will complete the project.

The emergency works applications will be submitted when the relevant consultants complete the required paperwork.
